

F SERIES · COMPACT UV PRINTER

YOWILL F3360 Compact UV Flatbed Printer

A compact UV flatbed printer designed for customized gifts, phone cases, signage, packaging samples and small-batch production. With a 33 × 60 cm print area, it prints directly on acrylic, glass, metal, wood, PVC and leather with CMYK + white ink and instant UV LED curing.

33 × 60 cm Print Area

CMYK + White

0-20 cm Print Height

UV LED Instant Curing

Key Features

Compact Commercial Setup

A compact body for retail stores, studios, e-commerce customization and small production workshops.

33 × 60 cm Print Area

Larger working space than desktop A4 models for more product sizes and flexible applications.

Direct-to-Material Printing

No plate making required. Print directly on acrylic, glass, metal, wood, PVC and leather.

Auto Cleaning Maintenance

Automatic cleaning helps reduce daily maintenance and supports stable commercial use.
