

F SERIES · PROFESSIONAL UV PRINTER

# YOWILL F5060 Pro UV Flatbed Printer

A professional UV flatbed printer for signage, gift customization, packaging samples, phone cases and small-batch production. With a 50 × 60 cm print area and vacuum table, it prints directly on acrylic, glass, metal, wood, PVC and leather with CMYK + white + varnish output.

50 × 60 cm Print Area

CMYK + White + Varnish

0-18 cm Print Height

Vacuum Table

## Key Features

### Dual-Printhead Productivity

Dual Epson TX800 printheads improve daily output and support professional commercial orders.

### Stable Vacuum Platform

The vacuum adsorption table holds flat and thin materials firmly to improve print consistency.

### Color + White + Varnish

CMYK, white ink and varnish output support transparent bases, spot gloss and raised effects.

### Direct-to-Material Printing

No plate making required. Print directly on acrylic, glass, metal, wood, PVC and leather.
