

UDTF SERIES · INDUSTRIAL UV DTF PRINTER

YOWILL UDTF-620 Industrial UV DTF Printer

A wide-format UV DTF printing solution for mass crystal sticker production, industrial labeling, gift packaging and brand customization. The 620-level platform supports multi-printhead configuration and high-volume output for factories, signage makers and packaging companies.

620-Level Print Width

3-4 Printheads

Industrial Label Production

CMYK + W + V + Glue

Key Features

Wide-Format Production

Designed for mass crystal stickers, packaging labels, brand logos and larger transfer decals.

High-Speed Printhead Options

3 or 4 printheads are available to balance speed, detail and production stability.

Premium Sticker Effect

White ink, varnish and glue process create glossy, transparent and dimensional sticker effects.

Strong Material Compatibility

Transfers can be applied to glass, ceramic, metal, wood, leather, paper boxes and more.
