

W SERIES · WALL PRINTER

YOWILL W2500 Pro Wall Printing Machine

A professional wall printing machine for indoor and outdoor murals, culture walls, advertising walls, TV background walls and commercial decoration. It prints up to 2.5 m high, supports extended horizontal printing and features a foldable structure for on-site projects.

Up to 2.5 m Height

Extended Horizontal Printing

Foldable Design

Surface Tracking

Key Features

Direct Wall Printing

Prints directly on indoor and outdoor walls for culture walls, advertising walls and background walls.

Extended Horizontal Output

Horizontal printing can be extended according to project requirements for larger wall areas.

Ultrasonic Surface Tracking

Hyperbolic ultrasonic sensing with bidirectional up/down induction improves wall adaptability.

Portable Project Use

Foldable structure makes transportation easier for on-site construction and mobile business.
